NATIONAL GUARD NOTES
The National Guard is at last in its new home, and it is needless to say that every one connected with the milital is glad. During the past week everybody from the colonel down has been busy preparing to move, and Friday and Saturday a large van mademany trips and Saturday a large van mademany trips and sturday and saturday a large van mademany trips and sturday a large van mademany trips on the tits every man of the latest very man of the latest very man of the street who will be strong from the colonel down has been busy preparing to move, and Friday and Saturday a large van mademany trips and sturday a large van mademany trips and the very man of the latest very man of the latest very man of the street who will be strong that the received with the milital is glad. During the last week the "Lizzle state to company to be present, as there is very month of leave the state.

Last evening the line officers of the local organization paid an official part of the visit, however, identity, and will be strong and the preached.

Will McArea is the latest "rookie" in more recruits who will be swron in the colonel down has been busy preparing to move, and Friday and Saturday a large van mademany trips and sturday and saturday a large van mademany trips and sergent to the latest very month of the preached.

Last evening the line officers of the streat who will be strong counted all four of the big guns, and to hear the rookie" in the requirement of the visit, however, idea of the latest very dood blood we are state.

Will McArea is the latest "rookie" in the rookie in the rookie, which the nine of the local organization paid an official part of the work of the streat who will be swron in the colonel down has been busy preparing to move, and Friday and sergent many trips and sergent many trips and sergent many trips and sergent many trips and the root of the streat who will be strong or in everyting whether the preached.

Will McArea the the root, which the nine the companies to come under the companie

Company H, the newest organization in the guard, will hold an election of officers next Monday night at the armory, the hospital corps of intantry at Oguen and one at Provo is the cause.

There will be a drill for Company and Company is the cause.

Thompson and Conerdale.

As soon as everything is in good shape at the armory, the hospital corps will commence to drill instead of distinctions.

Within the next two or three days Lieutenant Webb will put in a requisition for \$3,000 or \$4,000 worth of clothing and equipment. A new company of infantry at Ogden and one at Provo is the cause.

Lieutenant Will Riley of Company E. situated at Bountiful, has been in the city during the past two or three days. He reports Company E in the best of condition.
